

Personal Development Profile

Learning Development Needs

What broad areas do you wish to address?

1. Understand the desired character traits of being an effective member of the Inspiring Youth Programme.
2. Understand the importance of concentrated activity.
3. Understand the importance of a balanced attitude to work, study and leisure

Development Objectives

What specific goals are you setting yourself?

I am going to show that I am capable of completing the project by showing improvement in all areas.

Achievement Dates

When do you expect to achieve your objective?

I shall give myself two weeks to show that I can start to improve my performance in school, at home and in the community.

Actions to be used

How will you achieve your objective? (Resources Required)

No resources are needed for improvement at school and home but my community project may require some resources when planned fully.

Outcomes or Evidence

How will you show that you have achieved your objective?

I aim to show an improvement week on week as I progress through the project. I will start with my attendance and test results in school and improve by helping do chores at home.
