For each arrest, please tell me a) the suspect's age b) the suspect's gender

**SYP Response:**

I approached our Custody Handling System (CHS) Analyst for assistance with your request. This system records details relating to arrests and detainees held in custody. She conducted a search of the system using the criteria above and provided the raw data from which the enclosed two spreadsheets have been compiled. This splits the data into 1) Supply of a controlled drug, and 2) possession with intent to supply. Each tab provides the recorded information requested by year. Please note that this data relates to the number of offences which resulted in an arrest. An offender can be arrested for more than one offence. Please refer to the Count Distinct at the foot of each table to determine the number of children that have been arrested for the listed offences.
